*"Vince Rivers was magician when our Welcome Reception became Rainy Reception at the amazing Wild Dunes Resort in Charleston the week of the flood. AS we gathered for our Welcome Reception, the heavens released a torrid of rain. Mr. Rivers not only helped us get Members to dry ground, he entertained 200 wet attendees with the magic of Beach Music. They soon forgot wet hairdos and clothes as Vince soothed their souls with beach music and melodies. Vince is very talented and will use him again. And very kind. "*

*"Vince Rivers, vocalist & guitarist, entertained diners at Maxwell's this past Wednesday evening. In fact, when we were introduced, he sang a song for me, right on East South Main Street in downtown Waxhaw. He's good! I truly enjoyed his talent."*
